Dear Doug,

I regret that I personally can not be at your announcement for your campaign for Fluvanna County School Board. However, I am pleased to strongly endorse your candidacy. You have an excellent record of community service. You have helped many Fluvanna citizens over the years, and your work in church activities and civic endeavors provide a good background for serving on the school board. You are focused on the need for quality education with a commitment to wise use of taxpayer funds.

Paid for and Authorized by Goode for Congress

Congratulations and Best Wishes
